### South Hiendley Primary School

#### Lunches and Drinks

01/09/2020

In order to maintain our class bubbles throughout the school day, classes will be eating in their classrooms. This has been operating for those pupils who have been in school throughout lockdown.

To facilitate this, children who have a free school meal, or those who wish to purchase a meal, will have a choice of grab bag lunch. This can be a hot or cold option.

Menus will be shared by our lunch provider.

Those children who wish to bring a packed lunch from home, may do so. This must be in a simple, wipeable, lunch bag or container, that will be kept tidily under their chair or on their peg in EYFS. Please make sure that bags are named and not too large to cause a trip hazard. If the weather is warm, we advise that lunch bags from home have an ice pack inside.

All bags brought from home **must** be taken home each night.

Children are allowed to bring a drink into school in a **water bottle**. Please make sure your child's water bottle is named as we do not want children to accidentally 'share' water bottles. Water bottles **must** be taken home each night. Where possible, try to avoid "single use" water bottles. Drinks should not be fizzy pop, dilute squash, milk, fruit juice or other sugary liquids.
