Well done to everyone who came to school every day last week. However, overall attendance last week was once again below the school attendance target, with all but two classes being below our school attendance target of 96.5%. 😞

Well done to Year 1 for again achieving the highest class attendance during last week! 😊 Recently, individual letters were sent home, providing current individual attendance figures and a target of what would be possible if each child attended school every day until the end of term. Please ensure your child is school every day unless they are ill.

### Attendance Matters Reminders!

Just a reminder that if your child cannot attend school due to illness, parents/carers must ring school by 9:00am. Please try to book all medical/dental appointments for your child outside of school hours. For appointments in school hours, an appointment card/letter must be given to the school office.

**Inspire Day** - thank you to everyone who attended the Inspire Day last week. It was a very successful day, the children (and parents/carers!) had a great time, with some wonderful den building!
