South Hiendley Primary School

PE and Sport

01/09/2020

We will be following the government guidance for PE and sport in school and will review this as the guidance changes over the Autumn Term. As we amend what we do we will update this document.

Each class will access 2 hours of PE and Sport each week as a timetabled lesson. This will be in addition to active daily playtimes and lunchtimes using their own, designated, class sports equipment.

The timetabled PE and Sport session will be on one afternoon each week. You will be informed by your children's class teacher which afternoon this will be. All PE and Sport will be undertaken outside, weather permitting. Should the weather on the PE and Sport afternoon be poor, we will endeavour to reschedule for another day that week; your child's teacher will keep the class informed (space permitting). As the weather gets colder, pupils can wear a pair of jogging bottoms and their school sweatshirt / hoody etc for PE. Pupils should wear a pair of trainers, suitable for sporting activity, on their PE and Sport day. Pupils should not wear furry ug boots, hi-tops, wedged or high heeled shoes.

In order to minimise movement and possible sources of contamination, children will come to school in their PE kit on the day that they have PE. In this way, there will be no need to get changed and also, they will not need a bag of kit in school that can often be mislaid.
